**Representing Team BC**

The preparations for the Canada Summer Games begin early. In Fall 2021, Rowing BC is seeking to develop a long list of potential Canada Summer Games eligible athletes. The long list will enable Rowing BC to achieve the following:

1. Provide access to potential Team BC athletes to the CSI benefits program.
2. Provide direct communication to athletes and their coaches.
3. Track targeted athletes' performances in the lead up to the May 2022 selection regatta.
4. Provide coaching support to those in need.
5. Provide enhanced team training opportunities.

Any out-of-province athlete attending a BC-based university and is wishing to compete for Team BC is encouraged to apply.

***Selection to the Canada Summer Games long list doesn't indicate and/or guarantee final selection into Team BC.***

## Eligibility

Due to the impact of COVID-19 on sporting competition in 2020, the Canada Games Society postponed what would have been the 2021 Canada Summer Games to August of 2022. In order not to impact or remove the opportunity of those athletes who would have attended the Games in 2021, the age eligibility has been adjusted to include anyone Under 22 as of December 31, 2022 (Year of Birth: 2001 or later).

**All interested athletes are required to complete [THIS ONLINE APPLICATION FORM](#) by October 20, 2021.**

## Additional Information

All athletes interested in the 2022 Canada Summer Games are encouraged to attend one or both of the following regattas. These performances will be used to support the athlete's application.
