## Selection Process

### Rower Selection

Rowers will be selected to Team BC following the selection process outlined by athlete group in Appendixes 1 – 4.

### Weigh-in for Lightweight Rowers

Athlete weigh-ins for men will be at **7:15 AM on Saturday June 18, 2022** only. Maximum weight for men at weigh-in is 72.5kg. Athlete weigh-in for women is at **7:15AM on Sunday June 19, 2022** only. Maximum weight for women at weigh-in is 59.9kg. The weigh-in location will be in the Spracklen Room, located upstairs at the Elk Lake Boathouse.

### Coxswains Selection and Weigh-in

Coxswains are required to attend the entire selection camp (see Appendix 5 for Coxswain Schedule) and will assist coaches to organize and execute the selection camp. Invited coxswains will be selected to the team by the Selection Committee based on the following criteria:

- Athlete and coach input on ability
- Past race experience and results
- Compatibility with athletes in selected crews
- Ability to follow direction from coach

Coxswains will be expected to weigh-in at **11 AM on Sunday June 19, 2022** only. The minimum weight for male coxswains at the Canada Summer Games is 55kg, therefore at weigh-in male coxswains must be between 53kg and 57kg. The minimum weight for female coxswains at the Canada Summer Games is 50kg, therefore at weigh-in female coxswains must be between 48kg and 52kg.

### Equipment

Rowing BC will work to ensure that equipment will be supplied at the venue. There may be a need for some athletes to support the camp by bringing their own equipment. If this is the case, Team BC Coaches and Staff will make requests with ample notice.

### Nomination to Team BC

The Selection Committee will continually meet throughout the selection camp to ensure that decisions are made with adequate data. If deemed necessary, the Selection Committee can request additional trials outside of the stated selection process.

Team announcements will be made on or by **June 30, 2022**. Athletes will be notified via email. Rowing BC will publish the full Team BC roster on July 4, 2022.

### Crew Line-Ups

Once Team BC athletes have been selected to participate in the 2022 Canada Summer Games, the final line-ups for the regatta will be determined by the coaching staff during the pre-games camp in Welland, ON. Athletes may be required to move into another boat category if deemed necessary by the coaching staff.

### **Selection Decision Appeals**

Appeals to selection decisions must be submitted in accordance with the [Rowing BC Appeal Policy \(see page 41 of the Rowing BC Safe Sport Policy Manual\)](#). Due to timing constraints, Team BC Rowers and Coxswains are required to submit their appeal by midnight on **June 25, 2022**. This deadline contravenes the fifteen (15) day timeline afforded by the Appeal Policy but is necessary for trip planning purposes.

### **Special Circumstance:**

#### *(1) Royal Henley Regatta*

Rowing BC has granted *Special Circumstance* status to all qualified UBC athletes traveling to the UK to compete in the Royal Henley Regatta. Due to the dates of the UK trip these athletes are unable to attend the Canada Summer Games Selection Camp. Final selection decisions concerning these UBC athletes will be based on the pre-camp ranking (see Appendix 5 and 6) and data collected during the Selection Camp. Coxswains are not included in the ranking.

#### *(2) NextGen Athletes involved in Rowing Canada Aviron Selection*

Athletes involved in the Rowing Canada Aviron (RCA) NextGen selection process remain eligible to be selected to Team BC for the Canada Summer Games, regardless of their attendance at the Rowing BC Canada Summer Games Selection Camp on June 17 – 19, 2022. RCA NextGen selection decisions are scheduled to be announced on June 28, 2022, providing these athletes a limited window to be included in Team BC selection.

Rowing BC's Selection Committee will consult with Team BC Coaches to make final decisions on the inclusion of RCA NextGen athletes before the final team is announced on June 30, 2022.

#### *(3) Other Special Circumstances*

If, because of injury, illness, prohibitive causes or exceptional circumstances, an athlete is unable to meet any of the requirements in the selection procedure, that athlete may still be considered for selection to Team BC at the 2022 Canada Summer Games. The athlete must advise Team BC Coaches, **in writing**, of such injury, illness, causes or circumstances as soon as possible and obtain permission to defer the relevant requirement in the selection procedure. The coaching staff also reserves the right to request written documentation from a licensed medical practitioner confirming an illness or injury.
