Umpire Committee Report

Umpire statistics 1/2

We had 3 Licensed Umpires (who had been Active pre-Covid) retire this year and more are rumoured in the near future. If the “Inactive” are expunged from the database, the situation begins to look a little starker.

Chief Umpire applications and regular signups

The Umpire Committee must balance the regatta demands to the supply of willing Chief Umpires. There will likely be calls for applications for successive quarters between the end of November and mid-March.

Jury signups can be made at any time in the usual manner (by consulting the [Google Docs Regatta Signups \(Umpires\) spreadsheet](#) and sending an email to the [Umpire Committee](#)).
