

Interior Development Committee Terms of Reference

Purpose

The Interior Development Committee has been established to identify and support the needs and growth potential of current and future rowing clubs in the Interior regions of B.C. The committee will work to assess Interior rowing clubs' needs, issues and concerns, and work to recognize, understand, and address these through Rowing BC.

Reporting

1. The Committee shall report through the Chairperson to the Executive Director or designated Staff Person.
2. An annual report will be created and shared within Rowing BC's Annual Report at the annual Rowing BC AGM.

Composition

The Interior Development Committee is intended to be comprised of one representative from each local rowing organization in the Interior and be chaired by a Rowing BC staff member. Where possible, there will also be representation from one Rowing BC Board member.

Meetings

The committee will meet as required and when called by the Chairperson. Meetings will be facilitated online.
